

Sandbach Clean Team

Newsletter no 36

January 2014

Congratulations!

It's official! Sandbach is the Best Kept Market Town in Cheshire, winner of the 2013 Community Pride Competition.

Clean Team members can be justly proud of their contribution to the town gaining this award.

The role Sandbach CT has played over the past nine years by raising the profile of good housekeeping in the town should not be underestimated. Sandbach Tidy Town Group plays a vital part by bringing all the various groups together.

Brook Wood Clean-Up

Local residents joined Sandbach Woodland and Wildlife Group and Clean Team members to

complete the clear-out of the decades of rubbish that had accumulated in the wood. This wood, neglected for many years until the Woodland and Wildlife Group began its reclamation, is now a significant asset to the town. Visit it, you will not be disappointed.

Wilmslow gets Involved!

Wilmslow has started a Clean Team. Sandbach Clean Team and Sandbach Partnership provided support to get them off the ground.

Our best wishes to them for their future success.

Councillors join a Litter-Pick

On 18th October Sandbach Town Councillors joined us on our monthly litter pick. We are

delighted that Councillors, in addition to granting significant financial support for the Clean Team, also contribute practical assistance.

Help from McDonalds

Vicky Cromer from McDonalds organised a litter pick in September 2013. Sandbach Clean Team provided the equipment and two of our members supported the event.

Many thanks to Vicki and McDonalds for their support for the Clean Team's activities.
