January 2016

More Support from Town Councillors

The Annual Litter-pick where we are joined by members of Sandbach Town Council took place on 17th October. For many years the Town Council has supported the Clean Team financially and Councillors also take this opportunity to offer help in a practical way.

Our thanks to the Town Councillors who once more helped make the day a success.

Young People: our Future

The annual litter pick with young people took place on a very wet 12th December. However the weather did nothing to stop local youth organisations joining us: the number of young people taking part - over 50 - was most encouraging.

Groups involved included Scouts, Guides, ATC, Fire Cadets and Interact. Daniel Williams, of Godfrey Williams Delicatessen provided hot drinks and PCSO Spike Elliot provided much appreciated support, ensuring the event was successful.

It concluded with a welcome warm drink and mince pies for all. Many thanks to all concerned.

A Host of Golden Daffodils!

Although we are in the midst of winter, spring is not that far away. Clean Team members worked with other groups to plant 8000 daffodil bulbs given to the town by the contractors who worked on the M6 J17 improvements, to compensate for the daffodils destroyed whilst undertaking the work.

Bulbs were planted at Sandbach and Elworth Parks, the grassed area by Waitrose, Well Bank, the Scotch Common tree enclosures and the Old Mill Road-Congleton Road junction, all of which will be golden yellow in springs to come!

Fund-raising Quiz

After the successful 2015 quiz it has been decided to hold another one – the date is Friday 26th February 2016.

It's still some way off, but last year we completely sold out, so buy your tickets NOW! Please contact: Keith & Jenny 761541 or Dot Flint dot.flint@aol.com

Can you please let us have any surplus or unwanted Xmas presents?

Litter-picks 2016

16th January 20th February 19th March 9th April 14th May
