Outreach Activities

Over the summer we bought more sets of litter-picking gear and continued our policy of loaning equipment to voluntary groups.

These groups included the Round Table and Scouts and Guides, who all continue to do great work: keeping the area litter free and setting an example to younger citizens.

Litter-Picking Days for the rest of 2017

October 21st; November 18th;
December 16th (with local youth groups, fancy dress and mince pies).
